

Research Project: Group Planning & Grading Sheet

Project Name: _____

Project Section (e.g., intro, method, data collection): _____

Your Name (leave blank until time to grade): _____

List group members' names below and indicate what each person has agreed to do for this part of the project. Each group member should then initial the description. Later, you will give a score (on a scale of 1 – 5; with 5 being A work, 4 being B work, etc.) to each member (including yourself) on how well you believed each person followed through on his or her tasks. The average will be multiplied by 5 and added to each group member's score.

Score: _____
